

Words cannot describe how grateful we are for your passion and commitment to Guiding Star Tampa. It is because of your ongoing financial commitment that we have been able to expand our medical services to provide women medical healthcare regardless of their ability to pay.

We were able to do it because of you!

Guiding Star Tampa has become a pioneer in offering ***natural, holistic and prolife medical healthcare, education and support for women***. We offer services that women need to make life affirming choices throughout their entire life. This is the proactive way of eradicating abortion!

This endeavor has been monumental. Now more than ever we need to strengthen the financial support of the greater community as we are ramping up our healthcare practice.

We will hold our annual **2020 Light of Hope** benefit gala on **Friday, February 7, 2020** at Higgins Hall on the grounds of St. Lawrence Catholic Church. We need your help. In order to ensure a successful benefit Gala, we are inviting friends of the center to help underwrite our dinner gala with an individual or corporate gift.

Our Underwriting Goal This Year is: \$40,000

Our Total Fundraising Goal for the Gala is: \$350,000

Will you please consider an underwriting gift? As an underwriter your name (and/or your business) will appear in our program booklet, on our website and our social media outlets. We are depending on your support to make this coming year's **Light of Hope** Benefit Gala a success!

Blessings,

Executive Director

P.S. We anticipate filling all 600 seats using a "Table Host" program where guests are personally invited by a table host. We hope we can count on you to be one of our table hosts!
